Class Reunion Fund Agreement

As a service to the Mayfield student body, the Mayfield High School Alumni Association holds class funds for any class that has money remaining at the conclusion of each school year. The Mayfield School District Treasurer's office will turn over any remaining class funds to the Alumni Association once all bills have been paid. Generally, funds are used to partially subsidize one or more class reunions. The Alumni Association provides many more class reunion services at the 10 year anniversary of graduation and beyond.

The Alumni Association agrees to release any remaining class funds for the first class reunion to one of the class officers who signs below, or an authorized reunion representative. The Alumni Association will keep any accrued interest in return for managing the Class Reunion Funds account. The principal will remain with the class.
