WILDCATS

## SO, WHAT'S GOING ON AT MY ALMA MATER?

With its warm breeze and long days, summer's arrival serves to welcome the end of another successful school year at Mayfield High. While remembering never to blink, graduating seniors tried to relish every remaining high school moment. Well, they definitely have a lot to remember. Over the last few months, success emanated throughout the halls of MHS as students and staff continued the overwhelming achievements of Mayfield High. Like the 2007 WRC Football Champs, the winter and spring sport teams also had amazing seasons. After defeating Chagrin Falls and Solon, the Hockey team took the Blue Central Division title. Junior swimmer, **Chris Nemeth**, placed second in the 100 yard freestyle and third in the 50 yard freestyle at the state meet. Also qualifying for state competition was senior wrestler, **Nick Piccirillo**, who was awarded All-Ohio honors for his performance. Additionally, first team WRC honors were awarded to senior, **Matt Razzante**, and junior, Rob Wetzel. Way to go Wildcats! Off the field, **Matt Razzante** added his lyrical talent to this year's spectacular musical, "Beauty and the Beast." Senior, **Morgan Thomas Mills** played the role of the Beast while junior, **Sam Rickard** was cast as the lead role of Belle. Other major roles were held by **Chris McNeil**, **Emily Campbell**, and **Micheala Malone**. The cast director, **Steve Glosser**, was proud of all those who participated in the performance as it was one of the most successful musicals in MHS history. The many different extracurricular clubs have also kept students very busy these last few months. Cat's Cabinet showcased its 50<sup>th</sup> Winter Formal Dance where **Matt Razzante** and **Lauren Mazza** were crowned king and queen. The PRIDE club sponsored two successful ethnic dinners this semester which allowed students and staff to experience authentic Caribbean and Japanese cuisine. Key Club, the largest and most active club at Mayfield, experienced another amazing year of service under the guidance of their faculty advisor of 28 years, **Ronald Werman**. At the Ohio District Key Club Convention in April, Mr. Werman was awarded the title of "Most Outstanding Key Club Faculty Advisor in Ohio." Unfortunately, Ron is retiring this year and will greatly be missed by the entire school. For their final dance at Mayfield, seniors celebrated Prom with it's theme of "We Belong." Prom was held at the luxurious Signature of Solon complex which captivated and enticed all who attended. Senior class president, **Lauren Foley**, was crowned Prom Queen with **Greg Hall** accompanying her as King. After a night of dancing and everlasting memories, students relocated to the Mayfield Middle School for "Rip Curl," the 2007 After Prom. Finally, as a symbol of graduation, seniors were presented with their long-awaited caps and gowns. Their first opportunity to don this attire was during the Honors Day ceremony where many seniors were awarded scholarships from generous local organizations and citizens. Commencement was held on June 2<sup>nd</sup> and honored **Josh Grossman** as Valedictorian and **Rachael Rho** as Salutatorian. Graduation was a sad and exciting time for all graduates and their parents. No senior will forget their time at Mayfield High School, especially me.

## Four Memorable Staff Members to be Inducted in November

Each November, for the past 27 years, the Mayfield Alumni Association has held its annual **Raffle/Dinner Dance**. This event has always been successful. However, the **Executive Board** had the forethought to add something significant to this event to make it even better. In November, 2000, the Board created a **Staff Hall of Fame** to honor those many Mayfield staff members who contributed so significantly to our education. Staff Hall of Fame inductees are introduced at the Association's annual Raffle because this is the largest venue we have for this type of affair. Over the years, it has become a wonderful event that enables many alums to reacquaint themselves with those staff members we admire so much. This year is no exception.

The Alumni Association is honored to announce that **Joe Chilbert, Lee Johns, Mike Ostovic and Ernie Safran** will be inducted into the **Staff Hall of Fame on November 10, 2007**. These outstanding staff members have served the Mayfield student body well and will now be rewarded for their unselfish contributions to our education. Also attending this year will be **Bill Hunt**, who was in last year's class but was unable to attend due to medical reasons. This year's class will be greeted by well over 400 graduates, including members of the **Classes of 1967, 1982, and 1987**. Concurrently, the Association has also been encouraging graduates to hold their reunions in conjunction with other classes, thus creating group reunions. In each of the past eight years our event has also hosted at least one class reunion. This year, however, will be the most successful group reunion with three classes. Each committee has provided extensive feedback on how this concept has minimized their workload and still provided an excellent venue for their reunion, including more options, at a much lower cost that they could have provided themselves. Contact the Association for more information on holding your next reunion with us. The benefits are exceptional.

## Alumni Baseball Game Odds Beat The Evens 12 to 7

The Alumni Baseball Game was held on Saturday, June 9, 2007, on a beautiful day for baseball. The team from the odd years again proved their superiority in a hard fought seven inning game. The final score was 12 to 7. **Athletic Director, Jim Dasher, '75** pitched for both teams, making sure one side or the other didn't have an excuse for losing. Former, and long-time, baseball coach **Joe Santora** did his part by getting the field ready for play. The most important stat of the day was zero injuries!! Players included former ballplayers from the Class of '63 to the Class of '05!!

After the game, players went to **Wayne Farinacci's** house for beer, bocce and sausage & pepper sandwiches. Ticket manager, **Paul Gadke**, who made sure he showed up for the food part of the day, also demonstrated that this wasn't the first time he has been on the bocce court. Thanks to these gentlemen and to the players who keep the "Alumni Baseball Game" a great tradition. We are moving the game from June to August as many fathers have kids playing in several different baseball leagues and tournaments early in the summer. Why wait 'till next year. Our next game will be Sunday, August 12, 2007, at noon. Please spread the word.

## Way to Go, Bobby!

by Little Joe Micale, '57

Everybody who remembers **Bob Habenstein** stand up and shout. I don't hear very much noise. For those who don't remember, Bob was a member of the class of 1933. He recently wrote to tell us that he was really in the class of 1932, even though his picture appears with those from '33. Oh, that Bob!

Sure, we're just having a little fun with Bob's story. Back in '32, Bob's senior year, his sister contracted Scarlet Fever, which is certainly no laughing matter. The family was quarantined for six weeks, all except Dad, who was allowed to go to work. Somehow, nobody sent class assignments to the house, so Bob failed Physics and French. Long story short, Bob did graduate a year later. After working for a few years, he decided to go on to Bowling Green State University.

When he arrived at BGSU, his high school records were nowhere to be found. Bob hitchhiked back to Mayfield to retrieve his records. Upon arriving, he found that several faculty members thought the request for his records was someone's practical joke. The principal, Mr. Frank, made sure the records were put in the mail that afternoon. I'm sure all alumni will be pleased to learn that Bob graduated from Bowling Green Summa Cum Laude with a BS in Education.

After finishing college in 1941, Bob signed up for a one year Army hitch. Then came December 7th. Bob served 4 ½ years instead of his original year. By war's end he had married his BGSU sweetheart and they had their first child. Once discharged he entered the University of Chicago where he earned his M.A. and Ph.D.

Today, Robert W. Habenstein, Mayfield Class of '32/'33, is Professor Emeritus of Sociology and resides in Columbia, MO. We tip our Green Cap to you, Professor!

## A Heart Warming Story (And It's Really Hard To Believe!)

*Several years ago, a high school class ring was found buried on the grounds of Woodberry Forest Boys School in West Virginia. With the initials and information printed on the ring and through the use of our Mayfield Alumni Directory, the Alumni Association was able to identify a possible match to the ring. The school was notified of the ring's hopeful owner, including address, phone number and e-mail address. The rest is history .....*

It was such a treat to get word that the long-lost ring had been found! It has a long history, and as best Mark and I can recall, he gave me the ring soon after he got it to represent our "going steady." We have actually gone steady ever since! We started dating at Mayfield High School in the ninth grade, having met in Mrs. Sheahan's English class, and graduating in 1967.

We have no idea how the ring got to the campus of Woodberry Forest Boys School in West Virginia! The people there were very helpful and didn't hesitate to identify it and send in on after I communicated with them. The Alumni Association and Alumni Directory definitely facilitated the process.

Since I read the article in the alumni newsletter, I thought I would let you know for sure that the ring has been retrieved and that I wrapped it up and gave it to Mark for Christmas. I wrote on the card, "High School Sweethearts forever." We are so thankful to have come this far together and feel very blessed to have one another, still. The ring is a beautiful reminder of our history together, and stirs very fond memories of Mayfield High School.

Mark and I have three wonderful grown children and Mark is an Emergency Department physician at Lexington Hospital. I am a registered nurse and will soon commence graduate study in counseling. We have Mayfield High School to thank for helping to give us a wonderful "start" in so many ways.

God bless you all, Jane Schutte Bardou

# WELCOME NEW MEMBERS

We are pleased to acknowledge the following individuals for joining the Mayfield Alumni Association. Whether referred by a classmate, friend, or relative, the Alumni Association continues to grow and has become stronger through the participation of new members.

A lifetime membership to the Alumni Association is only \$35. It is the surest way to be located by your class reunion committee and stay up-to-date on your alma mater's activities. Also, it becomes much easier to participate in Association events. Remember, there is no fee for those alumni who are over 65 years old. Also, married Mayfield graduates can join for the same \$35 lifetime fee. Please feel free to clip the registration form from this newsletter and give it to a fellow alum. If you have any questions regarding membership, you may contact us at: [Mayfieldalum@sbcglobal.net](mailto:Mayfieldalum@sbcglobal.net)

## SECOND MEMORABILIA NIGHT HELD

The Mayfield Alumni Association is fortunate to have been given a considerable amount of memorabilia since our inception 27 years ago. This is the primary method of maintaining our rich history and documenting so many wonderful events and activities. When the Association conducts a Memorabilia Night, we have been able to benefit from the extensive knowledge of many of our earlier graduates. Without the continued support of these alums, we would not have been able to document the vast amount of information we have thus far. There is still a long way to go and much work to accomplish.

The Association decided to conduct a second Memorabilia Night this year. Several jobs were successfully accomplished. These included a thorough inventory of our yearbook collection. For those years where yearbooks are plentiful, the Association is able to sell them for \$30 each (plus \$5 shipping) to graduates who may have lost theirs through moving, divorce or natural catastrophe. Proceeds from yearbook sales go directly to our General Scholarship fund.

A second major task was to utilize our new Mayfield Alumni Directory to locate many of our lost members. Often, when members move, they forget to update their address. With the help of the Alumni Directory, we have been able to locate several hundred lost members.

Thanks to **Louise Agresta Pasquale, '55**, we begin each Memorabilia Night with a pasta and salad dinner before rolling up our sleeves to begin the night's work.

Several ladies show up with homemade cookies, which isn't a bad deal either! Many thanks to our loyal supporters of this event: **George and Ellen Eichenberg, '43, Aida Kinzel, '45, Howard Rasmussen, '45, Marilyn Huelsman, '46, Carrie Jackson, '48, Mary Grootegoed, '49, Wanda Hejcl, '50, Al Agresta, '63, Wayne Farinacci, '63, Judy Delfs, '67, and Annette DiCillo, '78.**

We would also like to take this opportunity to thank **Connie Scheuring Foulke, '41**, for her generous donation of many **Green and White Times** newspapers. Her donation included the issues from 1939, 1940, and 1941. Connie was the newspaper editor in 1941 and her sister **Charlotte** was the editor in 1940.

As you may know, the Association maintains a "Class Box" for each class. As pictures, programs, newspapers, or any other form of memorabilia is identified to a specific class, we are able to add to the collection for that class. Each class is then able to borrow their Class Box for their next reunion. Hopefully, the Class Box is returned with more information in it than when it was borrowed. Your donations are always welcome as they enable the Association to maintain and expand upon our rich history. Please use our e-mail address if you have something to contribute. **Our next Memorabilia Night is scheduled for Monday, October 8, 2007 at the Alumni Museum** in the little red school house at the corner of SOM Center and Wilson Mills Roads. Mark your calendar and lend a hand. We will give you a good meal for your efforts!!
