MAYFIELD

WILDCATS

---

## SO, WHAT'S GOING ON AT MY ALMA MATER?

Mayfield students not only excel in academics but in activities outside of the classroom as well. Immediately following the tragedy in Connecticut, the Key Club put together an opportunity for students to make snowflakes for Sandy Hook. Wildcat focus classes dedicated time to make snowflakes as well. It ended up being a great success. Sophomore **Michaela Shannon** said, "I think doing a craft for the school was a great way to show that we care, especially since so many students got involved!"

Earlier in the fall, the annual Homecoming Dance was held. About 300 students spent a wonderful night in Polynesian Paradise. During the week, many students participated in the bonfire, parade, and pep assembly. Junior **Austin Crowl** said about the dance, "I really enjoyed the music and I was able to have a great night with all of my closest friends." The Homecoming event crowned **Mikki Vance** as our 2012 Homecoming Queen. Vance is secretary of the senior class, a member of the varsity soccer team, and a student in the Excel TECC early childhood education program. Vance said, "Being crowned Homecoming Queen made me feel that my friends like me as a person, which is a great feeling. I honestly didn't think it was going to be me." Joining Vance on the Homecoming court were **Annemarie Paravoles, Teresa Eisler, Laura Lenaeduzzi, and Kylie Tritt.**

To raise funds for the English Department, the student band **Evolution** performed a concert in January. Senior **Vittorio Valletta** and junior **Christina DiFranco** are lead vocalists in the band, which plays a variety of rock, pop, and folk songs. English teacher **Nicholas Somich** said, "Vittorio and Christina are so talented. We were fortunate to find out Evolution was so willing to help us with our fundraiser." The concert – in addition to a concert t-shirt sale – raised funds to help pay for Shakespearean actors to teach some of the 10<sup>th</sup> and 12<sup>th</sup> grade Shakespeare units. "I love it when the Shakespeare actors come in; it's very interesting and a great experience!" said junior **Nate Shultz.**

On the athletic field, our Wildcats made us proud once again. The football team went 6-4 and advanced to the Division One - Region One playoffs. "We faced almost all the adversity that could have been thrown at a team and we never gave up and finished our season strong without any regrets," said senior wide receiver **Mitch Longo**. Longo and senior quarterback **Drazen Markovic** earned All-Conference. Markovic also made the All-District team and was awarded Conference MVP. Although the Cats lost to St. Edward, the number one team in the state, **Coach Larry Pinto's** team was proud of how hard they played this season. Senior **John Pasquale** said, "Our season had ups and downs but with the schedule we played we didn't give up and as a result we made the Division One playoffs, which only a small amount of Mayfield football teams have done."

On the soccer field, the varsity boys won the conference and districts once again. Finishing with a record of 11-7-3, captain **Amari Williams** was thrilled to see the team overcome the loss of many of starters from last year. Williams said, "This season went way better than expected. We proved a lot of people wrong because everyone thought we wouldn't do as well as we did." The lads lost in the Regional Semi-Finals to St. Edward 1-0.

## Excellent with Distinction: 4 Years in a Row

The **Mayfield City Schools** again have earned the state's top rating "Excellent with Distinction," according to reports from the Ohio Department of Education. Mayfield officials were notified in October that they are among the best school districts in Ohio. "The report card results are a celebration for every student, teacher, administrator, parent, and resident of our great school system," said **Superintendent Keith Kelly.**

## Two New Scholarships to Begin with Class of '13

### Wayne Farinacci Dedication and Commitment Scholarship

Since the inception of the Mayfield High School Alumni Association in 1980, Wayne has served as President for 32 of our 33 years. For the past 15 years, Wayne also has served as the Alumni Coordinator. In that time, he has devoted himself to the positive development of the Alumni Association and service to Mayfield High School and its student body. Wayne has led by example all of these years, and now wishes to establish a scholarship that will be earmarked for a student with similar traits and drive. This \$1,000 scholarship will be awarded to a student who demonstrates the qualities of leadership, service, and commitment to teams, offices, or clubs during the student's high school career. While this student must be highly involved in student offerings, he/she must also maintain the ability to influence his peers in a positive manner. Down the road, we are hopeful that one of these scholarship recipients will become a future President of the Mayfield High School Alumni Association.

### "Little Joe" Micale Literary Scholarship

In his book *CONFESSIONS...of a Hollywood Hairstylist*, Little Joe Micale confessed he was bitten by the writing bug in Grade 4B at William H. Brett Elementary School in Collinwood when he wrote his first play for Mrs. Clark. His interest in writing morphed into passion when he was in his freshman year at Ohio University. In 1960 Joe's father, Paul, moved the family to Hollywood to pursue a movie acting career. As a hairstylist in Hollywood, Joe's first client was Sidney Skolsky who wrote for Photoplay Magazine. Sidney introduced Joe to Clint Eastwood and his hairstyling career took off. Joe had a 22-year friendship with Freddie de Cordova and became Johnny Carson's "Go-To" guy. Among his clients were his good friend, Casey Kasem, followed by Red Skelton, Frank Sinatra, Alan Alda, Vic Morrow, Carroll O'Connor and Jim Carrey, to name a few. Joe wrote comedy scripts for Hollywood Squares and worked on project developments with Tim Conway. Joe and his wife, Ginny, moved to Cape Coral, Florida in 1999. He never imagined himself as a newspaper columnist, but Joe enjoyed writing profiles for The Islander Newspaper on Sanibel Island, and became well known when he wrote the LITTLE JOE'S HOLLYWOOD column for The News-Press, a Gannett Newspaper. *Confessions...* contains the cream of the crop of Little Joe's Award-Winning Newspaper Columns. When Joe died on November 26, 2011, he was the Entertainment Writer/Editor for the "Snowbird Journal," an online Southwest Florida Publication. He would have been proud to encourage and help support a student who seeks a writing career. This \$500 scholarship will be awarded to a student who has achieved specific literary accomplishments or plans to pursue a literary career. It is designed to encourage and help support a student who seeks a writing career.

## 2012 Mayfield High School

**Dr. Steven Troeger, '67**

Dr. Steven Troeger is a successful chiropractic doctor in Denver, Colorado. However, Dr. Troeger also moonlights as a singer and musician. Professionally, Dr. Troeger runs his own practice which focuses on sports injuries and nutrition. As the official chiropractic doctor for the Colorado Ballet Company, Dr. Troeger volunteered to treat a great many dance and athletic injuries from the very youngest dancers and athletes to the professional elite. Before earning his chiropractic degree, Steven Troeger traveled across the country for a year with the music group "Up With People." As a highlight, Troeger played in front of an audience at New York Metropolitan Opera House at Lincoln Center. Following his musical ambition, Troeger toured nightclubs for three years playing rock-and-roll with two fellow Mayfield High grads. Following his music career, Troeger earned his bachelor degree from Northeastern Illinois University, and eventually earned his Doctorate of Chiropractic in 1978. Dr. Troeger is actively involved in his community as a leader in his church and neighborhood. Notably, he has for 20 years volunteered his skills and time with the Salvation Army clinic and the Denver Rescue Mission clinic providing the poor and indigent with much needed health care. In addition to his community service, Dr. Troeger stays active in music as part of an a cappella group. His group has several CDs and performs regularly in his hometown. MHS taught Dr. Troeger discipline, which, he concedes, led him to achieve in college. Specifically, Dr. Troeger credits **Mr. Sabatino** for his kindness and **Mr. Andrews** for his toughness. **Mr. Treu** taught young Steven Troeger to love music, which has continued throughout his life. Troeger states, "I certainly have always considered MHS a substantial donor to the path of my life's success."

**Scott Finerman, '78**

Mr. Scott Finerman paved his way to success by earning a Bachelor of Business Administration from the University of Michigan in 1982. By 1987, Mr. Finerman had earned his Juris Doctor from Cleveland Marshall College of Law. Regional public accounting firm Cohen and Company hired the fledgling CPA where he worked his way to the title of partner in 1990. Crain's Cleveland Business named Scott Finerman as one of the "Forty under Forty", and he was also the recipient of the Cleveland State Alumni Emerging Leadership Award. In 1999, Mr. Finerman joined the firm Second Generation, Ltd. as its CFO and Vice President. Scott Finerman's civic service reflects his deep commitment to his community. Notably, Mr. Finerman served as Treasurer for Cleveland Mayor Frank Jackson's Campaign Committee. He currently serves as the Treasurer to Cleveland City Council. Additionally, Mr. Finerman can claim the title of youngest person to become President of the City Club of Cleveland, an organization to which he still belongs and is actively involved. Known as the "Citadel of Free Speech", the City Club has fostered many long-standing personal and professional relationships for Mr. Finerman. Dear to his heart is his leadership within the Cleveland Baseball Federation. Mr. Finerman feels greatly rewarded that the CBF provides positive experiences in the lives of children who are often victims of poverty and family challenges. Scott Finerman attended Mayfield Schools from kindergarten through Grade 12. While in school, Mr. Finerman credits his exposure to people from all walks of life and various backgrounds for his civic dedication. At Mayfield he also learned that "input equals output." Mr. Finerman also credits his experiences outside the classroom playing tennis and serving on Student Council as a sturdy foundation for his accomplishments.

## *Alumni Hall of Fame Inductees*

**Michael Sloe, '80**

As a student, athlete, coach, business leader, and parent, Michael Sloe has experienced great success since walking the halls of MHS. Mr. Sloe is currently the owner of Total ID Solutions, a leader in the identification business. He is an active member in the community and continues to carry on the tradition of Mayfield excellence. Mr. Sloe excelled both on the field and in the classroom during his tenure at Mayfield High. He earned an athletic scholarship to attend Youngstown State University where he was a three-year starting quarterback, despite suffering a severe knee injury as a freshman. His ability to overcome this typically career-ending injury earned Mr. Sloe the Goodwill Industries' Guts and Courage Award in 1982. Mr. Sloe finished his time at YSU as an assistant football coach and earned a BS in Marketing Management in 1985. Mr. Sloe credits his time at Mayfield with helping mold him into the successful individual he is today. Total ID Solutions created and installed a digital ID management system for all 88 county sheriffs' offices in Ohio. He also helped create an integrated system for Child Identification Cards, which was endorsed by the CEO of the National Center for Missing and Exploited Children. Additionally, Total ID Solutions had the great honor and responsibility of managing identification and credentials for the 2004 International Children's Games in Cleveland. Mr. Sloe also is an active member in the community and a member of the St. Paschal Baylon Church. Mr. Sloe's generosity to the community has also allowed Total ID Solutions to sponsor many charitable endeavors. Organizations such as "The Upside of Downs," "The Horizon of Hope," and the National Center for Missing and Exploited Children have received contributions to fund their causes.

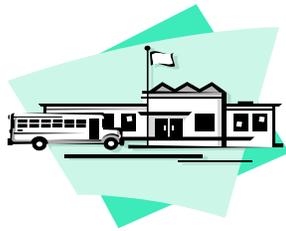

**Kathleen Atlagovich, '85**

Kathleen Atlagovich has spent her illustrious career providing medical services as a nurse, as a mentor, and as an Officer in the United States Army. After completing her honorable service for the United States Army Medical Department Regiment, Ms. Atlagovich has been a key employee at several top medical facilities in Northeast Ohio. She has worked for University Hospitals, the Cleveland Clinic, the Breen School of Nursing at Ursuline College, and is currently serving as a Pediatric Acute Care Nurse Practitioner at Akron Children's Hospital. Ms. Atlagovich has earned multiple degrees since graduating from MHS in 1985. After earning a Bachelor of Science in Nursing from Ursuline College, Ms. Atlagovich was commissioned as a Second Lieutenant through John Carroll University's ROTC Program. She served her country for more than three years as a staff nurse and supervisor at Tripler Army Medical Center in Honolulu, Hawaii. Ms. Atlagovich also earned a Masters Degree in Nursing from the University of Akron, and later completed her Post Masters as a Pediatric Nurse Practitioner. Ms. Atlagovich has found great personal success in the field of nursing. However, her greatest achievement is helping to develop the Pediatric Nurse Practitioner Acute Care Program at the University of Akron. This program helps to certify advanced practice nurses. Ms. Atlagovich finds enjoyment through teaching aspiring nurses to care for pediatric patients and advance in the field of nursing. Ms. Atlagovich credits Mayfield with helping her to become a well-rounded individual. Ms. Atlagovich stated, "The entire science department was truly an amazing group that not only taught us science but encouraged a true love of science." Ms. Atlagovich proud to maintain friendships today that were formed during her time at MHS.

## Request for a Multi-Class Reunion Sent In

The Alumni Association received a request from **Steve Gulyas, '89** regarding Multi-Class Reunions. Below is Steve's inquiry and the Association's response.

Steve asks: I wanted to make a suggestion regarding reunions, but wanted to bounce this off of you first to see if perhaps it might have been previously brought up. Has the idea of a multi-year class reunion ever been considered? My thinking is that since alumni may have had friends that were a year or two behind or ahead of them that they might like to see, they would never get to see them at one of the regular class reunions for their class alone. I have no idea what kind of interest there is for this type of reunion or what kind of planning effort/resources this might require, but would this be an idea you could bounce off of the Executive Board or perhaps some class presidents to gauge their reaction?

Association's response: Not only is this a good idea, but the Alumni Association has used it. We have had "Multi-Class Reunions" when we used to have our Reverse Raffles. We've not had Reverse Raffles for the past four years and will probably not have them again because selling tickets was difficult. The Multi-Class Reunions were actual reunions. For example, 1963, 1968, 1973 and 1983 had one. We did this for about seven years with different classes. Smaller classes in the 40's or 50's have done this also where reunions were grouped in a string, e.g. 1943 - 1950 in 2011, among others. The Association would consider helping classes create such a reunion. I suppose classes, like you just did, would have to let us know they are interested in such an event. We can take it from there. Class reunion committees would share the responsibilities and costs, but the Alumni Association would provide ample assistance to make the job much easier than each class holding it's own reunion. Having it around the Alumni Golf Outing is an added possibility!

**WELCOME NEW MEMBERS**

We are pleased to acknowledge the following individuals for joining the Mayfield Alumni Association. Whether referred by a classmate, friend, or relative, the Alumni Association continues to grow and has become stronger through the participation of new members.

A lifetime membership to the Alumni Association is only \$35. It is the surest way to be located by your class reunion committee and stay up-to-date on your alma mater's activities. Also, it becomes much easier to participate in Association events. Remember, there is no fee for those alumni who are over 65 years old. Also, married Mayfield graduates can join for the same \$35 lifetime fee. Please feel free to copy the registration form from this newsletter and give it to a fellow alum.

If you have any questions regarding membership, you may contact us at: [Mayfieldalum@sbcglobal.net](mailto:Mayfieldalum@sbcglobal.net)

# CLASS REUNIONS

## Class of 1963

Our **50th Class Reunion** is right around the corner. Attire for the entire weekend of events will be casual. Please save the dates and plan on joining in on all the fun the weekend of:

- ⇒ **Friday, July 26th** There will be a social gathering at the Hilton Garden Inn, on Beta Drive in Mayfield Village.
- ⇒ **Saturday, July 27th** Dinner, "our" old music and a lot of reminiscing at the Club Molisani Party Center.
- ⇒ **Sunday, July 28th** Brunch will be held at Wayne's house (Club Molisani if raining). At 1:00pm we will walk across the street for an hour long tour of our old high school.

We are planning to invite many of our former teachers who impacted our lives. Several have already promised to be there because we were in one of their first classes and they remember us well. Staff of 1963 - Get Ready.

The committee would appreciate any help you can offer in locating a current address, e-mail, or phone number for anyone listed to the right. Any alum is asked to send this information to:

## Looking for Lost Members

Whether due to moving, divorce, passing away, or many other reasons, Alumni Association members seem to periodically disappear. If you have information on any of the following, would you please contact the Association with their information so we can reinstate their membership. We only had space to list 1914 - 1962. Thank you for your assistance.
