WILDCATS

SO, WHAT'S GOING ON AT MY ALMA MATER?

Mayfield started a new tradition this year by crowning a Homecoming king and by permitting freshmen to attend the dance. Mayfield had a long-lasting tradition of crowning only a queen, but this year's event – **"A Night on Cloud Nine"** – decided to involve the boys and another grade level. Senior **Austin Crowl** was supportive of the change. He said, "It was a wonderful night. It was my last homecoming, but most definitely something I'll remember forever." **Michael Galloway** became Mayfield's first ever Homecoming King, while **Ashley Murphy** was crowned Homecoming Queen. Galloway, vice president of student council and a popular Wildcat Focus mentor, didn't expect to win the king's crown. He said, "It was one of a rush of hundreds of feelings. I didn't think it was real at first." Murphy, president of the senior class and a student in the Excel TECC Early Childhood program, was overjoyed to be voted as the queen. She said, "I am so honored and blessed to be Mayfield's 2013 Homecoming Queen. Words could not describe how I felt walking down the runway." Because of the inclusion of freshmen, this year's Homecoming dance had record sales.

On the athletic field, many of Mayfield's fall teams fell short of the playoffs. The varsity football team compiled a 5-5 record, despite playing stiff competition. **Coach Michael Verdi** was proud of the way the team overcame obstacles to end the season with success. "We responded to adversity time after time and finished the season on a three game win streak," Verdi said. Senior left tackle **Dave Khanin** tried to be a leader on the young team. He said, "I am very content with the season we had, considering we had a very young team. We ended with some big wins over D1 schools which is definitely something to take pride in." The young Wildcats are already training for next season. Junior

wide receiver **Alex LoPiccolo** said, "We are preparing by taking our offseason workouts very seriously and by keeping everybody focused on this upcoming season."

For the first time in several years, the boys soccer team struggled to find postseason success. Hampered by injuries, the lads ended with a 7-7-1 record. Senior goalie **Patrick Tighe** said, "The season started off strong, but we suffered some injuries to important team members which led to problems during the later half of the season."

Ending with a 10-10-1 record were the varsity girls soccer team. Sophomore left defender **Lexi Ujczko** said, "Throughout our season we encountered many ups and downs but we always worked our hardest to conquer any battles we faced. Overall, we worked really well together as a team."

Tex N. Collaros Scholarship to Begin with Class of '14

Tex N. Collaros, a 1962 graduate of Mayfield High School, will be respectfully remembered with the establishment of the Tex N. Collaros Memorial Scholarship Fund.

At a young age, Tex developed a natural talent for sports, especially baseball. He was a varsity letterman 4 in his junior and senior years at Mayfield. Throughout his life he carried the title of "Home Run King of Mayfield Heights". He was a modest man and never talked about it, but Mayfield Heights baseball officials did move the fence back so that Tex wouldn't hit a home run every time he came up to bat. What an avid sports fan he was for any and all sports.

Tex was also a talented craftsman who could fix and build anything he set his mind to. He built several beautiful rooms and fine furniture for many people. He excelled academically, being in the National Honor Society at Mayfield, having graduated with a full football scholarship from Northwestern University, and receiving a Master's Degree with honors from Cleveland State University.

After working for Mobil Oil and himself (Hillcrest Auto Parts), he went to work for the Internal Revenue Service where he became the taxpayer compliance manager for the Cleveland, Akron, and Youngstown offices. Tex, a gifted writer and speaker, as well as a noted tax specialist, taught tax law classes and training classes all over the country from Texas to Washington, D.C.

Tex had many interests. He was a proud member of the Forest City Masonic Lodge No. 0388, F. & A. M., the Lodge Council Chapter Consistory Scottish Rite Bodies in the Valley of Cleveland, and a longstanding member of the Fraternal Order of Police Lodge 27.

Tex is remembered and respected by many as a true gentleman who was kind, helpful, and generous to anyone in need. Above all else, he was a loving husband to **Margaret Sberna Collaros, '62**, for 38 wonderful years. Tex passed away in April, 2012.

Refer to the enclosed scholarship donation form for additional details.

Mayfield Alumni Association and Mayfield Wildcat Football Golf Outing will be held June 28, 2014

Guest Editorial Invitation by **Michael G. Sloe, '80** -

It is my privilege and pleasure to inform you of this wonderful event. We all know that there are an overabundance of Golf Outing's that are held throughout the year. However, this one may become your favorite outing for 2014! Not only is the Golf Outing coming back to our community, but this outing also invites non-golfers to participate in the excitement throughout the evening hours. Let's just say what it really is...a **huge Wildcat Party!**

Let me explain:

The **Mayfield Alumni Association** and the **Mayfield Wildcat Football Program** will be hosting the **2014 Golf Outing/Dinner at StoneWater Golf Club**. Not only do we get to bring this event back to our community, but we also get to play on a Championship caliber private course! If you have never had an opportunity to golf at StoneWater, you will be amazed at the challenging layout and the quality of the entire facility. StoneWater Golf Club recently hosted the **2013 Senior Games** and has held three **Nationwide Tour** events. You will have an opportunity to play the same course that several of today's biggest PGA stars have played - stars such as; **Ben Curtis, Jason Day, Jason Dufner, Matt Kuchar and Brandt Snedeker.**

The event will continue to be a Four-man shotgun scramble and will include the standard golf outing competitions; pin shots, long drives, skins game, etc... We are also adding an exciting putting contest!

This event will be like no other: We will Tee-Off in the afternoon on **Saturday, June 28, 2014. Approximate Tee time...2:30 PM.** The event will be followed by a delicious buffet dinner served by the staff of StoneWater Golf Club. **Dinner will be served at approximately 7:00 PM.** The dinner portion will be open to the Mayfield Wildcat community as well as the player's spouses, guests, and any non-golfer that would love to join in the festivities. (Price of *Dinner Only* will be listed on the Registration form.)

Following dinner there will be a brief awards ceremony, after which the back patio and the gorgeous Club House will be ours for the *remainder* of the night. **Party Time!** This will allow us to celebrate the successes of the Mayfield Alumni Association and our outstanding Mayfield Wildcat Football program.

It is my hope that this Golf Outing becomes a much anticipated annual event for many Mayfield Alumni and friends of the Wildcat Community.

A special Golf Outing/Dinner Registration form will be emailed in April. If you are unsure if your email address is on file with either organization listed above, please request one from mayfieldalum@sbcglobal.net. The Registration form will be emailed to you upon request.

Just a reminder: If you cannot participate in the golf portion of this event please join us for dinner and the festivities that follow. Also, there will be plenty of sponsorship opportunities that will allow you to advertise your company, organization or just yourself! These items will be included in the Registration form.

Thank you for allowing me to spread the word about this exciting event and also for your continued support for the Mayfield Wildcat Community! Based on a few conversations that I have had with a number of Mayfield Alumni, this year's event should be a **HUGE success!**

"GAME NIGHT"

Building an Alumni Pavilion at Wildcat Park has become the Association's major project emphasis over the past two years. The reality of an Alumni Pavilion will provide countless benefits to the student body, school organizations and the Mayfield community in general. A Game Night flyer is included in the enclosed envelope, providing many details about the event.

Grand Prizes valued between \$500 and \$1,000 will be made available to attendees on April 12, 2014. Side Boards and Chinese Auction prizes will also be available. The Casino atmosphere was exciting last year and promises to be even better this year.

What we need now is your help.

- Donations are very much needed. Please contact the Association if you or your company are able to help. Last year's winners went away very happy!!
- We also want to exceed the 329 people who attended last year. Get your tickets now and enjoy a quality evening while contributing to the student experience at Mayfield High School.

Wildcattin' With Kitty

Andrew Revello, '09, passed away from injuries he suffered in a car accident June 1, 2013 in Butler Township, PA. Andrew was 22 years old. Andrew was a former member of the Wildcat baseball team and a redshirt junior baseball player at St. Bonaventure. He was a starting pitcher and accounting major. Andrew had been playing for the Butler Blue Sox in the Prospect League during the summer. "**The Dice Dash**", a 5k memorial race to honor and remember **Andrew Revello**, will take place **Sunday, June 22nd**, on the premises of Mayfield High School. Please "Like" www.facebook.com/TheDiceDash for more and upcoming information.

Harold (Hal) Doster, Ph.D., '49 had a 33 year career in rural, mountain and suburban community development and mission work. To that, Hal added another 33 years in higher education from Instructor to Professor, while being a Program Director in six administrative areas., twice a Dean and twice a college President. They said, "Surely if we give him one more chance he'll get it right!" Hal's father was the Mayfield Village Mayor for 20years. He was the youngest mayor in the history of Ohio back the, at 19 years old. Hal is on the high school's Wall of Fame.

Jim Mormino, '94, has recently become the Athletic Director at Willoughby South High School. Jim has been a football coach for many years, working under Matt Duffy. **Matt Duffy, '90** is the Head Football Coach at South.

Ron Dolciato, '82, has been named head football coach at St. Vincent College in Latrobe, PA. He has been offensive coordinator and associate head coach for many years at John Carroll. As offensive coordinator since 2001, Dolciato led a unit that set two national offensive records and 59 team and individual school records, produced six Conference Players of the Year and eight NCAA DIII All-Americans, and won an Eastern Regional Championship, followed by a Final Four appearance. He was named 2011 Ohio Athletic Conference (OAC) Assistant Coach of the Year, 2002 Assistant Football Coach of the Year by the Ohio Chapter of the National Football Foundation and was a featured offensive coordinator in *American Football Monthly* magazine in fall 2012.

Class of '63

The **Class of '63** held our **50th Class Reunion** during the last week in July. Every attempt was made to make this the most special and memorable reunion ever. Wow! It couldn't have been more perfect. Our ice breaker on Friday at the Hilton Garden Inn was a great kick-off to sharing stories and reminiscing our high school days. Saturday's event was attended by well over 100 people also. **Club Molisani Hall** served us very well, as did **Guido's Catering**. One of the highlights was our group class picture. The guys and teachers in one picture and the girls and teachers in the other. Retired teacher **Ron Werman** took the memorable pictures. We were able to distribute two color 8 x 10's the very next morning to everybody at our Sunday Brunch, held at the home of **Wayne Farinacci** on SOM Center Rd. After brunch, for which our reunion committee made all the food for 90 people, we all walked across the street to relive so many memories with a tour of the old high school. The Class of '63 was the last class to graduate from the old high school. Thank you to all the teachers who attended one or all three days: **Rose Balawender Newman, Richard Huff, Jack & Carolyn Huntsburger, Earl Kilchenman, Paul & Marilyn Messerly Sabatino, Cynthia Freshwater Saponetti, Ron Sobel, Carl Speck, Mike Tippett, and Sandy Wiseman Turner**. Our 50th Class Reunion brought many of our classmates together for perhaps the last time, some who we haven't seen in years. The positive feedback made all the work of the committee well worthwhile. Special thanks to everybody who attended meetings, prepared food, set up the venues, created the memorabilia, and purchased all the items we needed: **Al Agresta, Pat Coffey, Wayne Farinacci, Dennis Francis, Blue Germano, Fred & Sherry Gloor, Jon Heavlin, Anna Mottolese Henretta, Phylis Ludwig, Ellen Levak Maher, Jim Murphy, Mike & Cheryl Arenswald Niland, JoAnn Pannetti Pestino, Mona Corbe Roman, Gail Bicker Rye, Chris Schock, Fran Johnson Slifko, Diana DiPuccio Vitale, and Donna Vitanza Vitantonio**. One measure of a successful reunion is what people take away from the experience. Another is what they leave behind. Because the committee provided so much to the reunion, we were able to keep the cost at \$60 per person for all three days. Therefore, we asked for donations to cover the cost of 56 page Memory Books, the 200 class pictures, and a 1963 Class Brick at Wildcat Park. Well over \$1,000 was donated!!! What a GREAT CLASS! We're not waiting five more years — see you next year.

2012 Mayfield High School

Dr. T. Arch Robertson, '74

Leadership is what stands out about 2013 Mayfield High School Hall of Fame inductee T. Arch Robertson. As a student, Arch was a four-year member of student council, serving as president his senior year. Arch was also elected prom king and won the "Service Above Self" award. T. Arch Robertson pursued his degrees at The Ohio State University, ultimately earning his Doctor of Veterinary Medicine degree in 1983.

Dr. Robertson's penchant for leadership certainly inspired him to establish numerous veterinary services for pets in the southwest where he resides. For one, Dr. Robertson established VETMED consultants after founding the east valley Veterinary Hospital in Mesa, Arizona. Eventually, VETMED grew from a consulting service to a mobile ultrasound service, becoming an all-encompassing establishment for internal medicine to critical care and emergency services for animals.

Dr. Robertson also serves on the advisory board for Midwestern University Veterinary School where he facilitates outreach and preparation for the local veterinary community and contributes to developing well-balanced education for students. The foundation of most of his success is attributed to his years at Mayfield High School. Dr. Robertson notes acquiring social skills to communicate with all his classmates and teachers alike, as well as learning how to be successful. He also credits his scholastic success as a result of rigorous demands and study skills learned while a student at Mayfield High.

Ultimately, Dr. T. Arch Robertson desires to be the best father he can be and pass that legacy to his children and their children. He wrote that he wants to live "with the end in mind, but to always enjoy the moment." Professionally, Dr. Robertson would like VETMED to continue to be one of the most advanced veterinary specialty hospitals in the southwest.

Angela Timperio, '75

In 1975, Angela Monastra Timperio exited the halls of Mayfield High School, where she served as a member of Student Council and earned a letter in cheerleading. Listed on the honor roll for all four years, Mrs. Timperio also was a member of the Senior Prom Court. Most notably, assisting in the development of the MHS tutor program with Mr. Roth was one of her finest moments. Angela continued her education at Baldwin Wallace College earning a bachelor's degree. She gained experience in business from sales to marketing to executive leadership before she bought Life Safety Enterprises. As President and CEO of Life Safety Enterprises, Ms. Timperio has seen the company grow from three employees to currently 24. Ms. Timperio has grown her business many times over. Recently, the National Register's "Who's Who in Executives and Professionals" lists Angela Timperio as a member. Additionally, Kip Marlow's book on successful entrepreneurs devotes an entire chapter to her.

Ms. Timperio devotes much time serving on the boards of a number of civic and professional organizations. Particularly, she served on the National Safety Council, the National Association for Woman Business Owners, and is currently the president-elect of the National Life Safety Organization. Cheerleading and dance led Angela to establish an after-school dance program in the Willoughby-Eastlake school district, and even returned to Mayfield High to choreograph the spring play, *Cinderella*, in 1982. Ms. Timperio's tenure on Mayfield Student Council, but most of all, Ms. Timperio credits the rigor of Mayfield High for her drive to succeed. She fondly looks back on her years at Mayfield as a place where she learned to build strong relationships that still exist today, and credits her success as a professional, a mother, a wife, and a friend to her experiences at Mayfield.

Alumni Hall of Fame Inductees

Dr. Kathleen Martin, '86

In 1986, Kathleen Martin, Ph.D. graduated fourth in her class at Mayfield High where she received Student of the Year awards in Spanish, Biology, Social Studies and English. Upon graduation, Kathleen attended Hiram College and graduated Magna cum laude with Departmental Honors in Biology. Kathleen continued her education at Case Western Reserve University where she earned a Ph.D. in Physiology and Biophysics in 1997. Dr. Martin completed her post-doctoral fellowship at Harvard Medical School from 1996 until 2000 during which time she received advanced training in Cell Biology and Signal Transduction. During that time she also was awarded training grants from the National Institutes of Health and the American Cancer Society.

Currently, Dr. Kathleen Martin is an Associate Professor of Medicine and Pharmacology at the Yale School of Medicine. Prior to her work at Yale she worked for nine years on the faculty at Dartmouth Medical School. At both schools Dr. Martin has taught medical and graduate students in the subject areas of cardiovascular medicine, obesity, pharmacology and therapy and cell biology. In addition to teaching, for the last 13 years Dr. Martin has conducted research on smooth muscle biology and trained undergraduate, graduate and post doctorate fellows in her laboratory. She noted, "our work has provided important new insights and suggested new potential avenues for therapy and prevention". To date, Dr. Martin has published 38 peer reviewed articles, authored 14 review articles and 5 book chapters.

In addition to her professional accomplishments and volunteer contributions in her community, Dr. Martin notes her family as the center of success, "I am proud of the happy, supportive, and loving environment we all create together in our home, where we all try to inspire each other to do our personal best."

Dr. Amit Majmudar, '97

Amit Majmudar graduated from Mayfield High School in 1997. After leaving Mayfield High School, Amit attended the University of Akron and graduated in 1999 with a Bachelor's of Science in only two years. He then went on to attend Medical School at Northeastern Ohio Medical University and was awarded his M.D. in 2003 at the age of 23. Amit continued his education and completed a Diagnostic Radiology residency in 2008 and a PET/Nuclear Medicine Fellowship in 2009.

Currently, Dr. Amit Majmudar is a Diagnostic and Nuclear Radiologist in private practice. He is a full partner with Radiology, Inc., a 47-member independent radiology group that contracts with the Mount Carmel Hospital system, Madison County Hospital and Columbus Ohio Primary Care.

In addition to his success in the field of medicine, Dr. Majmudar has also pursued a literary career. He has earned numerous awards for his work and has had four poems published in *The New Yorker* and two poems in *Best American Poetry 1988-2012*. To date, Amit has published two novels, "*Partitions*," which was named to Kirkus's Best Historical Fiction 2011 and Booklist's Best Debut Fiction 2011 and "*The Abundance*" which has entered its second printing. Amit also has had two books of poems printed, "*Heaven and Earth*" and "*O,O' (Zero Degrees, Zero Degrees): Poems*"

Though his academic and professional journey has been extensive Dr. Majmudar highlights his family as his finest accomplishment. He noted, "We are incredibly close-knit, me, my wife, my children and also both sets of grandparents. A loving, happy family makes all the other stuff possible." Dr. Majmudar is an inspiration for current students and a reminder that the possibilities after high school are endless. Dr. Amit Majmudar is a welcome addition to the Mayfield Hall of Fame.

Keeping Up With The Faculty

Betty Malmad retired from teaching at Millridge in June, 2012, and has been very busy. She and her husband have been traveling seeing all the wonderful places that they'd only read about in books. They have been on several cruises with their family and have enjoyed watching whales and bald eagles from the decks of their ships. Seeing icebergs in Alaska and the new Panama Canal under construction were amazing sights as well. They have also spent time with their children and grandchildren. Being retired has been everything she'd hoped and she is enjoying every minute!

Rick Miner began teaching geography in 1952 and began coaching baseball and football the following year. He became principal of Mayfield's first junior high school in 1960 when the high school moved from SOM Center to Wilson Mills Road. Rick eventually, became Superintendent of Richmond Hts. and then Superintendent for Chardon Schools. He retired from education in 1980 and moved to San Antonio, Texas in '82 where he became a private contractor and has lived for the past 32 years. He enjoys walking his dog and listening to audio books. He is thankful for the many Mayfield School memories as a student, teacher, coach, and administrator.

Diane (Meadows) Mastrobuono taught History and Math at Mayfield Middle School and Mayfield High School from 1979-2005. She currently works as an adjunct math instructor at Lakeland Community College, and serves as a volunteer at Hospice of the Western Reserve. She also co-chairs the Mayfield City Schools Retirees Association. She and her husband, Don, enjoy spending time at their summer home at Atwood Lake. Their daughters, Andrea and Jenna who are both Mayfield grads, enjoy successful careers in marketing and dietetics respectively.

Jim Bezdek retired in 2003 from Center School after 35 years of teaching. However, he still subs at CEVEC once in a while and loves it. He and his wife, Cindy, have two children (Mark & Laura, both Mayfield grads) and they each have four children. Jim also works part-time for Nowak Tour & Travel as a Tour Manager and takes students on bus trips. He is starting his 36th year at Hawken Day Camp where he is in charge of field trips. Jim & Cindy love to travel, especially taking cruises. This summer they are off to Scandanavia for 16 days. Jim is still waiting for the Indians/Browns/Cavs to win a championship.

Barb Pfender worked in Mayfield as an elementary teacher, learning disabilities teacher, and resource teacher for 33 years. She retired in 1997. For the next 14 years she worked as a student teacher supervisor for John Carroll University. This was one way to give back to the profession. A part time job at a small manufacturing company occupied five more years after retirement. Now she spends her time volunteering at Ronald McDonald House, her church, and an elementary school in a nearby local district. Swimming takes priority in her free time and exercise life.

Lee Johns taught at Mayfield H. S. from 1965 until 1998, teaching almost every Social Science course and coaching cross country, track, and basketball. Upon retirement, he worked in retail for a few months and then taught Economics part-time at Kenston for 2 1/2 years. He returned to Mayfield as a substitute and faculty manager, finally calling it quits in May of 2012. He and his wife, Karen, have 4 grandchildren and are able to spend about 3 months a year at their family cottage in Ontario, Canada.

"Faculty Tales" is a standard column in *The Alumni Voice*. If you are retired from Mayfield and would like to submit a brief bio. to Barb, please contact her at the e-mail address below. This will save her much time in trying to track down all the retirees. If you would like to read an update for a specific member of the Mayfield faculty or have a comment about this column, please contact:

Class of '46

Mayfield Class of 1946 held their 67th Class Reunion at the home of **Kathleen DiPenti Tripi** on September 14, 2013. It was attended by seven classmates, two spouses, and two friends. Their first gathering was in 1956 for the 10th reunion, was held at the high school cafeteria, and included a picnic on Sunday at the Metro Parks. Many classmates attended along with several teachers. They continued to meet every 10 years and decided at the 40th reunion to meet every five years. Over the years classmates and their spouses developed a warm friendship. Class secretary **Marilyn Anderson Huelsman** did a wonderful job over the years organizing the events. After her death, a 65th reunion was not held but classmates continued to get together for lunches twice a year and decided to have a 67th reunion. **Eleanor Tartler Southey** and **Cleland Voorhees** travelled from Florida this year. A good time was had by all.

Class of '64

Hello to **MHS '64 classmates**. Just a reminder - our **50th reunion celebration is the weekend of July 25, 26, and 27, 2014**. Please join us to share memories, catch up with old friends, and party. We plan an informal Friday evening get-together at an area hotel and an unforgettable dinner at Landerhaven (executivecaterers.com) on Saturday night. Cost for dinner and entertainment is \$75.00 (Checks payable to **Jeff Day**, 5508 Kenbridge Dr. Highland Heights, OH 44143). Mark your calendars and stay tuned for more details. See you on Facebook. Please share this information with fellow classmates who may not have seen this notice.

Class of '78

On August 17, 2013, the **Class of '78** joined together once again to celebrate 35 years since our carefree high school days! Our casual one day event was held at The Boneyard in Mayfield Heights with cocktails, appetizers, music, 50/50 raffle and a dessert table specially prepared by our committee members! Many thanks to those classmates who sent us contact info. on classmates. Special thanks to our committee members: **Cathy Steffy Scrianko, Sue Drop Csuhran, Doreen Scimone Semethy, Kathy Comella Adkins** we were able to host an amazingly fun, one-night event. Congratulations to **Lisa-Karyn Bergman Davidoff** for winning the 50/50 raffle, which is being used to help fund our 40th reunion. It was nice to see so many classmates, many of whom came in from out of town! Thanks the nearly 100 classmates who attended. How nice it was to catch up with old friends, and also make some new friends!

The **Mayfield Class of '78 website** is: <http://www.mayfieldclassof1978reunion.com/> which we hope to have updated in the next few months! You can also keep connected through our Facebook page <https://www.facebook.com/groups/28132780444> (Mayfield High School, Ohio - Class of 1978 Reunion) where we have posted photos of our past reunions - what a great way to keep in touch! Looking forward to planning our 40th! Your Classmates for the best class ever..The Class of '78!

Class of '93

The Class of 1993 held our 20th reunion at Claddaugh Irish Pub on November 30, 2013. Fifty of our classmates gathered for great food, drinks, football and an overall great social event that lasted past 1:00am! We had a great turnout, but missed those who could not attend. There was already talk of a 25th gathering! Please find us on Facebook!

Class of '03

When my fellow class officers from the **Class of '03** and I started planning our 10 year reunion back in 2012, we knew that the first and most important step was to track down as many people from our graduating class as possible. We created a Class of 2003 Facebook page and commenced the search. We also created a Gmail account to provide an alternative contact method for our classmates. Our reunion was held on Saturday, November 30th at the Cleveland House of Blues. The reunion planning committee feverishly called, emailed, texted and direct Facebook messaged every '03 graduate for whom we personally had contact information. Additionally, we posted flyers in public areas around Mayfield.

Well over 100 people packed the Cambridge Room at the Cleveland House of Blues for our 10 year reunion. Laughter and camera flashes filled the room as former classmates and childhood friends reminisced about the old days and made new memories together. It was great to have a number of spouses and significant others join the party as well! We spent the evening sharing stories and updates about college, weddings, children, new jobs new homes, world travels, beloved pets, favorite pastimes and plans and hopes for the future.

We'd like to keep an open line of communication to the reunion planning committee for all '03 MHS grads. Please share your contact information or volunteer to be part of the reunion planning committee at mayfield-grads2003@gmail.com. I'd like to send a very heartfelt thank you to my fellow reunion planning committee members for all their hard work: **Lauren (DiVincenzo) Pleban, Jennifer (Gould) Hoeck, Jessica Brick, Courtney Brass, Missy (Zemanek) Lonchyna, Katie Leciejewski and Andrew Zuccaro**. See all of you at our 20th!

Jody (Licursi) Foltyn, Class President

Class of '73

Our 40 year **Class of 73** reunion was a huge success despite the fact we only had 74 attend. Those that hesitated were sorry they didn't come. The Fox and Hound Pub in Eastgate was ideal for an ice breaker Friday night as those who didn't attend Saturday showed up Friday instead. Freddie James is a fantastic DJ and does many reunions. I would be happy to forward his information to any committee members who are interested. Despite the hiccups everybody had a wonderful time and the buzz went on for weeks. Our next event is a 60th birthday party next year, 2015.

Class of '88

The **Class of '88** celebrated their 25th year reunion on Saturday, October 19, 2013. Prior to the party, 15 classmates went reminiscing in the hallways of our alma mater when Assistant Superintendent and classmate **Joelle Krieger Magyar** led them on a tour of the high school. Afterwards, about eight to ten classmates met at The Fox and Hound for brief food, drink and conversation. Committee members **Lori Raskin, Renee Amato Patete, Dan Corman, and Jamie DeLauro** hosted the main event, which was held at Maggiano's at Beachwood Place. Approximately 50 class members attended this event in this intimate setting. Spinning all the hits from the '80s 'til today was Renee Patete's cousin **Sam Angello**. **Ashraf Abadir** and **Sarah Lee** went "Gangnam Style" on the dance floor. **Brian Davis, Ken Barber, Tony Nista, Jane Sloe Osler, and Bob Hayman** had a blast remembering the good old days over all you can eat hors d'oeuvres and an open bar. Twins **Todd and Even Wieder, Mike Snyder, Tom Gadomski, Marissa Cashy Brinkley** and her husband Tim, **Andy McCartney, and Kathy Kvet Drotos** with hubby enjoyed cavorting and waxing nostalgic, watching a slideshow of high school memories. **Renee Amato Patete** and **Dan Corman**, with help from Jamie DeLauro, **Stacie Amos, Denise Florjancic, Bob Hayman, Marisa Rosati Caine, Brother Bowen**, and others enjoyed much of the evening entertaining themselves and others on dance floor. Former popular teacher **Joe Santora** popped in to share a drink and dance, particularly with our classmates. **Dan Corman and Frank Schaefer**, and others, led the exciting announcements for the raffle (with proceeds going to the Mayfield Alumni Association). **Dave Snyder** was a happy camper, being the lucky winner of the Bob Feller-autographed baseball. Who can forget how **Tim Michaels (DiLellio)** and **Kathy Trager Bilinski** stole the show with their smooth couples' dance display/lesson? Classmates appeared to enjoy conversing and mingling throughout the night. The fun continued and ended at The Boneyard, in the old Mayland Theatre with several more classmates joining us for relaxing fun. Overall, it was a night of intimate talk, laughs, hugs, dancing, drinks, rehashing old memories and creating new ones. We thank all who were able to attend! Though we missed a number of classmates due to previous obligations and other reasons, we hope to see them in five years at the 30th! All the best to the Mayfield Class of '88.

Lori Raskin, Class of '88, (w/assistance by Sarah Lee)

WELCOME NEW MEMBERS

We are pleased to acknowledge the following individuals for joining the Mayfield Alumni Association. Whether referred by a classmate, friend, or relative, the Alumni Association continues to grow and has become stronger through the participation of new members. We are the only Mayfield Alumni Association –or– Mayfield High School Alumni Association. Any other similar name is not us. You will find several imposters on the web. We are a link on the school district's web site at: www.mayfieldschools.org

A lifetime membership to the Alumni Association is only \$35. It is the surest way to be located by your class reunion committee and stay up-to-date on your alma mater's activities. Also, it becomes much easier to participate in Association events. Remember, there is no fee for those alumni who are 65 or over. Also, married Mayfield graduates can join for the same \$35 lifetime fee. Please feel free to copy the registration form from this newsletter and give it to a fellow alum. If you have any questions regarding membership, you may contact us at: Mayfieldalum@sbcglobal.net
