MAYFIELD

WILDCATS

SO, WHAT'S GOING ON AT MY ALMA MATER?

On a beautiful Saturday afternoon on June 7, 2014, Mayfield graduated 356 students at The Palace Theatre.

The Commencement ceremony, led for the last time by retiring principal **Tony Loewer**, was student-centered. Speeches were given by head Student Council President **Jessica Silver**, Class President **Ashley Murphy**, Valedictorian **Tom Mylo**, and Salutatorian **Anna Woo**. Loewer, superintendent **Dr. Keith Kelly**, and Board President **Sue Grozsek** also gave Commencement addresses.

Murphy was honored to speak at Commencement. She said, "Sometimes you never know a true value of a moment, until it becomes a memory. Looking back at graduation, I can easily say it was one of my greatest memories. Giving a speech, and walking across the stage with my classmates was an unforgettable memory. I'm blessed to say that I am President of Mayfield's Class of 2014."

With the help of Groszek and Dr. Kelly, Murphy also honored Loewer as part of the Commencement ceremony.

On the Thursday before graduation, after finals were completed and grades were submitted, nearly 100 seniors celebrated the end of their school year at Senior Banquet. The event was held at the Hilton Garden Inn in Mayfield Village. Senior class advisor **Nicholas Somich** addressed the seniors with a speech, gave awards to nearly 30 seniors in student council, and turned the program over to the class officers to present 41 categories of Senior Superlatives.

After all of the Superlatives were given, students watched a Senior Video that was made by class Vice President **Haley Jacobson** and received a Senior Book that was compiled by class Secretary **Marissa Woods**. A DJ and photo booth were also hired for entertainment.

In late May, at this year's honors assembly, 73 graduates received scholarships for the colleges and universities

they'll be attending this fall. Four students were also recognized for entering the military.

In mid-May, the juniors and seniors celebrated a beautiful Prom at Croatian Lodge in Eastlake. Seniors voted **Mike Galloway** as Prom King and **Haley Jacobson** as Prom Queen.

Adbulla Hatim was also voted to be on prom court. He said, "Looking back at Prom, it was a lot of fun. Not because of what we wore, ate, or did, but because of the people that made it unforgettable."

The end of the year was bittersweet for students and staff who wished farewell to some of Mayfield's favorite faculty members. In addition to Loewer, retirees included math instructor **Tim Donoughe**, applied arts teacher and girls basketball coach **Tony Ware**, former Home Economics Chairperson and current special education aide **Sandy Turner**, secretary **Lucia Giancola**, secretary **Virginia Hosack**, and librarian **Barbara Catalano**.

The high school will welcome back Mayfield graduate **Jeff Legan, Class of '94** as the next principal and former Mayfield teacher **Jane Perry** as one of the assistant principals. Assistant Principal **Patrick Ward, Class of '97** also departed Mayfield to assume responsibilities as principal at Willoughby South High School.

Digital Media Productions is an elective program at the high school that teaches students to use cameras and other media to creatively tell stories. This program consists of four different levels with the ultimate goal of creating meaningful and professional videos that can be used for the school, district, outside clients, and much more. As part of a fundraising effort that helps keep the students on the cutting edge of technology and ease the financial burden of the district, the DMP program is offering the opportunity for people to convert their old VHS tapes to DVDs. The cost is \$10 per VHS tape with discounts available after 10 conversions. If interested please contact **Mike Bokovitz** at mbokovitz@mayfieldschools.org. Class of '49

What little we knew in 1949.... We didn't think so, of course. After all, we graduated from Mayfield; what more was there for us to do? Now 65 years later - 65 years - we can't count the challenges we've faced, the joys we've known and, yes, the disappointments and sadness that life brings to everyone. Even to us, the Class of '49. And now it's Class Reunion time for those of us who can. To once again meet one another, shake hands, give a hug, even a kiss on the cheek. Marvel at how little - or how much - we've changed since we last met. So circle the 19th and 20th of July, 2014, on your calendar. Saturday we will dine at Dino's once again. And early dinner, keeping in mind that some prefer to not drive at night. And we'll follow that with a picnic the next day.

Keeping Up With The Faculty

Betty Lajeunesse worked in the Curriculum Office at Mayfield High School for 15 years. After retiring in 1992, she and her husband, Tom, began traveling and visiting their 6 children and 13 grandchildren. They enjoyed the natural beauty along the way and discovered parts of the country they might have missed, were it not for their children. Betty is an avid reader, enjoys people, loves to walk and continues to travel. She is also involved in several ministries at St. Mary's Church. Her fond memories of Mayfield remain. She will never forget the support, love and friendship of the staff when she needed it most.

Rose Balawender Newman graduated from Mayfield in 1957. The following year, at Miss Brindley's request, she started working at the high school. She stayed until 1965 when she left to raise her two children who went on to graduate from college. She returned to MHS in 1975 for three years. Since then, Rose has traveled extensively in Europe, Mexico and throughout the US. She has spent the last 30 years working in the insurance industry, and for fun, during baseball season she works for the Lake County Captains. She enjoys spending time with her two grandchildren, organizing luncheons with her MHS classmates, and following her passion for travel.

Harriet Bush retired in 1995 from her position as Gifted Coordinator at Mayfield High School. Since her retirement she and her husband, Bob, traveled to Europe, Hawaii, Scandinavia, and the Caribbean Islands. The couple also traveled a great deal within the country to visit their children who have settled in Texas, Georgia and North Carolina. After losing her husband in 2010 she moved to Florida, making it her permanent home. On visits to Ohio she enjoys catching up with her friends from Mayfield.

Mary Jo Garrison has had a great time since retiring! She is currently spending several days in Cape Town, South Africa and has been in the bush for several weeks in Botswana, Zambia, and Zimbabwe on the most spectacular safari. She'd only been off the plane in Victoria Falls for a couple of hours when she saw her first pride of lions and thinks the only animal she hasn't seen is a cheetah. After her LONG flight home, she will return to her usual volunteer activities, classes, friends and family and try not to bore everyone with her tales before starting to save for her next trip!

Nancy Bird retired in January, 2001, after working 11 years for Assistant Principal, Paul Sabatino and 11 years as the Data Processing Coordinator. Since retiring she has enjoyed several cruises, family vacations on the Outer Banks of North Carolina, and spending winters in South Myrtle Beach, South Carolina. Thanks to the high school retirement committee, she gets together with other retirees 3 or 4 times a year and is able to visit with people with whom she worked for so many years. She is excited to see all of the wonderful remodeling changes that have taken place at the high school.

Mayfield Alumni Association
c/o Wayne Farinacci

Dear Mayfield Alumni Association,

I can't begin to thank you enough for all that you do for our staff, students and community. The fundraising event was an absolute blast! While most of us were having fun, many of you were working to make it a success. I know that many hours went into preparing baskets, securing prizes, organizing raffles and working with vendors. You are an amazing group that just keeps giving your time, energy and creativity.

I am always impressed by the community spirit in Mayfield. Events like the Game Night bring out the best of that spirit.

Peggy and I are proud to be part of the Mayfield community and proud to say that the Pavilion will be built so that many can enjoy.

Thank you again. Go Wildcats!

Sincerely,

First—The note we received from **Frances Federico**:

Dear Wayne,

First of all, I want to thank you for your very nice letter and I want to apologize for taking so long to answer it. No good excuse except old age -- 95 -- and it is so easy to say "I'll do it tomorrow." I feel honored that you think your readers would be interested.

I happened to see a copy of the spring Alumni Voice and they were asking the Class of '65 to write about their experiences at Mayfield Central and that is what inspired me to write. I just sat down to write and before I knew it, I had filled a full page. I quickly put it in the mail before I could change my mind.

I apologize for it being written in long-hand, but never had a computer and gave up typing a while ago. I will be interested in seeing the story in the June/July issue as I never made a copy of it. Thanks again for your interest.

Frances Federico, '35

And now her thoughtful letter:

Some time ago, my step-daughter, **Donna Federico** of Wickliffe, received a copy of the Alumni Voice in the mail. Her father, **John Federico, Class of 1936**, and her uncle **Albert Federico, Class of 1935**, both graduated from Mayfield Central High School on SOM Center Road. My sister, **Marion**, and I also graduated from there - Marion in 1934 and myself in 1935. My father, **George Glenday**, managed the Aintree horse riding club on Wilson Mills Road. There was also another entrance to the club on SOM Center near the high school.

When we first moved to Mayfield we started school in the little red schoolhouse - Marion in the 4th grade and I in the 3rd. We went there thru the 6th grade and then went to the high school for 7th - 12th. I still have my high school diploma and class picture. There were 68 in my graduation class. I also have a picture of the little red school. During my last two years of school, my mother died of Tuberculosis and ten months later, my father was riding a young horse who lost his footing going down a gully and fell on my father, killing him. My sister and I went to live in Detroit, MI, with an aunt and uncle and I lost contact with all my friends. I had been dating John Federico in high school, but never kept in touch with him.

I never went to any class reunions until the 50th in 1985. **Joe Widowski and Albert Federico**, who came in from California, were there and insisted John go with them as he had just recently lost his wife. I had been alone for 19 years after my husband died at age 50. John started calling me and then visited me in Kalamazoo, and we got married in 1986. We each kept our own homes because houses weren't selling at the time and we would spend two months in Lyndhurst, pack up our van, and spend two months in Kalamazoo. It was an interesting life and we were able to spend time with his family and mine. John died in 2002, but we had a good life for 16 years!

Carey Spear, '10, Carey was signed by the Philadelphia Eagles to compete for their kicker position. Carey was a tremendous kicker for the Wildcats. He is currently tied for the Ohio record for the longest field goal made at 61 yards. While at Mayfield, Carey made the All State Team for football and soccer. From Mayfield, Carey went to Vanderbilt where he became the All SEC Kicker.

A lifetime membership to the Alumni Association is only \$35. It is the surest way to be located by your class reunion committee and stay up-to-date on your alma mater's activities. Also, it becomes much easier to participate in Association events. Remember, there is no fee for those alumni who are over 65 years old. Also, married Mayfield graduates can join for the same \$35 lifetime fee. Please feel free to copy the registration form from this newsletter and give it to a fellow alum.

If you have any questions regarding membership, you may contact us at: Mayfieldalum@sbcglobal.net

StoneWater G. C. Welcomes Alumni Association and Mayfield Football Program

The Mayfield Alumni Association's 20th annual golf outing was held at **StoneWater Golf Club on Saturday, June 28, 2014**. This was our largest outing ever with 135 golfers, who were treated to an exciting round of golf, great food, many prizes and a opportunity to win a canary yellow 2014 Chevy Camaro, compliments of **Pat O'Brien Chevrolet**, for a hole in one on the #17 par three hole. We also gave away a package of four Tribe tickets on the #6 par three hole. One of the highlights was a raffle for a Wheelbarrow Full of Booze (Tyler Begun) and other goodies and a \$100 Lottery Tree w/Lottery Bag (Roger Dengel) and other good stuff.

This year, six foursomes finished the outing by shooting a round of 61, which is 10 under par. Using the USGA tie-breaker formula, the winners were **Mike Sloe, Mark Becka, Jim Wallis, and Dan Valentino, all from the Class of 1980**. Their names will be added to the Alumni Golf Outing trophy for 2014. See chart to the right for total results.

\$320 in skin money was awarded to **Eric Yusko, Sean McMahon, Mike Lyons, and Ryan Young**, who had the only skin with an eagle on the par five hole #4.

\$20 and Wildcat Football golf towels were given for pin shots and long drives as follows:

Closest to the Pin - #3 **Marcus Ciraolo**, #6 **Paul Mann**, #11 **Paul Mann**, and #17 **Barry Boncheck**. Tribe tickets on #6 were won by **Marcus Ciraolo**. Long Drives - #2 **Jarrod Mulheman**, and #9 **Greg Szczecinski**.

Finally, the Mayfield Alumni Association wishes to thank our organizers **Mike Sloe, '80, Larry and JoAnn Pinto, '80, Frank Brown, '73, and Wayne Farinacci, '63** for making all the arrangements and obtaining sponsors. We would also like to thank our registration and hole assistants **LuAnn Bodnovich, Kim Teller, Lisa Becka, Denise Valentino, and Anna Farinacci**. They did a great job keeping everything organized and moving.

GAME NIGHT - Oh, What a Night!

Your Mayfield Alumni Association has been working diligently for over two years to help raise funds to build an Alumni Pavilion at Wildcat Park. When completed, the pavilion will become a centerpiece for student activities, school support group events, and community get-togethers. The target date for the pavilion opening is August, 2015. The Association would not be able to complete this project without the strong financial support from two loyal families. The **Ross DeJohn** family has long been part of the backbone of Mayfield Heights and the Mayfield Schools and has an impeccable tradition of service to the community. Their pavilion contribution is student and community based. The **Nancy West** family is equally involved in this project. Nancy is entering her 26th year of service on the Alumni Association Executive Board. Her guidance over these many years has been invaluable to the Association's accomplishments. Significant contributions were also made by the **Class of '61** (\$1500) and the **Class of '10** (\$750). Thank you.

Game Night was held at the **Normandy Party Center (Sandy Carmigiano, '61)** on April 12, 2014. Included were many different gaming tables, Chinese Auction, Silent Auction, Grand Prizes, and a Special Airline Package. Over \$15,000 worth of prizes were given out to the 314 very happy people who attended. We would not have had such a successful event without our two prem-

ier sponsors. **Best Buy in Mayfield Heights, David Barber, General Manager, and The Glidden House Hotel, Tom Farinacci, '87, General Manager** are to be recognized for their generous contributions to Game Night. We also want to thank the many other sponsors who contributed to this memorable and successful event.

Below you will find some of the fortunate big winners at Game Night.

Peg Jakab - Glidden House Hotel Package for four.
Jolene Greve - \$500 Visa Gift Card

Mayfield Athletic Department News

The Athletic Department is working with a company called BoxCast to stream athletic events to any internet-connected device (Smart TV, tablet, Smart phone, computer, etc.). To date, we have broadcast basketball and wrestling and will add football, volleyball, and soccer in the fall. In theory, we can broadcast any event (school, athletic, music, drama, Board meeting, etc.) that we can connect a camera to the internet. The possibilities are endless.

Recently, BoxCast has partnered with ESPN Radio Cleveland (850 WKNR) to expand their coverage of high school football. The broadcast schedule will be posted on the athletics page at www.mayfieldschools.org.

Fans can watch the event live or archived at any time. There will be a Broadcast Archive tab in the athletic webpage that will list past events.

Currently, the broadcast schedule can be found on the athletics page at www.mayfieldschools.org. All a viewer will need to do is click the link and buy a ticket online (usually \$6.00). The buyer can watch the event live or archived at any time. There will be a Broadcast Archive tab in the athletic webpage that will list past events. Once someone buys the ticket, they can access the program at no additional cost and view it as often as they wish.

Contact the **Athletic Department** with any questions regarding this new venture - **440-995-6830**. The response so far has been extremely positive.

Editors Note: This is a terrific option for alums, grandparents, and those who live out of state and still want to be connected to the events at Mayfield High School.
